Club

Annual General Meeting

The Club's Annual General Meeting was held on 11th February and was attended by over 350 Members. This number significantly exceeding that expected and, as a result, non-voting Family members had to follow the proceedings by screens set up in the River Room.

There was clearly strong interest in the Member's resolution (4) proposing that our subscriptions be initially maintained and that a system of fair charging for the use of the waterside facilities be introduced. After many contributions from the floor the polled votes were collected and the result was that the resolution was rejected.

The second Member's resolution to allow dogs on to the balcony again drew many comments from the floor but again the polled votes rejected this change to Regulation 21.

The Special Resolution, a change to Article 13.1 which would allow time spent as a Provisional Member to be included in the qualification period to be eligible for election to office was passed.

All other statutory resolutions were passed. The 2017 Handbook will be issued shortly which include the amended Article 13.1. The minutes of the AGM will be issued in due course.

Clive Sparrow, Vice-Commodore

Secretary's notes

Club Handbook Reminder

As the Members' Handbook contains personal details, please return or send any unwanted/old copies to the Office for destruction.

Kevin Podger, Secretary

New Members

We welcome the following new Members to the Club:

- Frank & Elizabeth Chalstrey
 - Norman & Christine Doodson
-

House

I would like to start by saying a big thank you to Denise Moore who has worked tirelessly during her time as Rear-Commodore House to improve the quality and reliability of the catering. She has also been responsible for the upkeep of the Clubhouse and has made improvements to the River Room and Bar which have much improved the ambiance of the area. A hard act to follow.

For my part I hope to continue improving the quality and reliability of the catering as well as developing a number of new events, which hopefully will suit members from different interest groups, allowing us to do fun things together, make new friends and get more value out of our membership. We have already introduced a second Pub-type quiz aimed at younger members and Bridge Classes for beginners, which were fully booked but will be repeated.

We are hoping to run Yoga classes for both ladies and men (aimed at those who are finding they are getting less flexible!) as well as Flower-Arranging, Jive and Ma Jong classes. Amongst the new events we are also planning this year are wine-tasting evenings, taster menu dinners with special wines to try, a fashion show for one of the Club charities and a Salsa evening.

However, if there is anything else you think we should be doing, please get in touch either with me or [Pauline Crates](#), the chair of the Social Sub-Committee.

We are planning to change the [à la carte menu](#) monthly and will be running special offers in the restaurant (such as two courses for two people for £25) on nights we know will be quiet, to encourage members to try the new menus. These will be advertised on the website and emailed out to members so do keep an eye on your emails. We are also planning to run monthly suggest-a-dish competitions where members can suggest a dish (starter, main or pudding) they would like to see on the à la carte menu next month. James, the Head Chef, will pick out the best and the winner will get a free meal.

As I am sure you know, there have been a number of staff changes in the upstairs team and we have unfortunately had to lose some old friends during the streamlining process. We now have two qualified chefs, James Keyte, our Head Chef, who has now been here 3 months and Jerry Plimer, our new Sous Chef, who joined us last month. Robert, Mo, Laura and Dani will still be leading the front of house team upstairs and Gillian Poole is taking up her new role as Clubhouse Events Manager on 9th March. Her background is eight years managing the hospitality on super yachts and now, back in the UK, training new recruits for this work. Her Club role is to manage all the social events in the programme as well as work with members to deliver top quality service for any private functions that are booked. She will also be delivering the Corporate Events Initiative in conjunction with Kirsty and Vicky. So, if you want to discuss having an event at the Club, Gillian will be delighted to show you our exciting new function menus and help you have the event you want.

Families are very important to our Club and its future and we have been looking at ways to make the Club more family friendly. Sunday lunches are the perfect opportunity for all generations to get together and eat in the Club. As well as the traditional roasts, there is a new children's menu and James the Chef is always happy to have other suggestions. We would encourage you to book tables for Sunday lunch so that you can have a table in a suitable place for your party and we are working on collecting games and puzzles that can be available to entertain the younger members.

I would like to take this opportunity to thank Sue Wood for the magnificent new Lectern she has donated to the Club in memory of her late husband, Richard Wood who was such an active member and hardworking Captain of Cruising. The lectern can be found in the Island Room and was presented by Sue at the Wednesday evening lecture given by Harvie Wooley on the Panama Canal.

To kick-start the sailing season in style, the Fitting-Out party on Saturday March 11th will this year be a Paella & Salsa Dance party with demonstrations and a caller for some energetic activity. If you haven't already booked your tickets, there may still be some left. Click on the poster below to book on line, call the Club office or email.

Roger Wilson, Rear Commodore House

Social

Fitting Out Supper: 11th March 2017

Please join us for the launch of our Sailing Season with a Salsa themed evening. There will be a Chicken & Chorizo Paella. Tickets are £25 available from Reception.

New Member's Eve: 24th March

On the 4th of March we will be holding our "New Members Evening" where we will be showcasing the many facets of our Club. We are hoping that new Members and their families will attend. As it is a special evening event we will be inviting Members with young ones to stay on for supper.

Royal Lyminster Yacht Club

NEW MEMBERS' EVENING FRIDAY 24th MARCH 2017 18.30 Island Room

Join us at this informal evening aimed at introducing new members to all the Club can offer whilst providing an opportunity to meet the Flag Officers and others who have joined recently.

Representatives from Cruising, Racing, Junior Sailing, Scows, Volunteering, Training and House will be present to give formation about activities and events available, both on and off the water.

If you are a new Member and have not yet received your invitation or were invited to last year's New Members evening and were unable to attend please speak with the Reception team and let them know you would like to attend.

Afterwards, from 19.45 onwards, reserved tables will be available in the Restaurant for those who would like to stay to eat. Choose from the day's menu.

We look forward to seeing you at the event!

Our New Member's Evening on the 24th of March is where we showcase the many facets of the Club. We will be inviting all new Members and their families and hope many will stay for supper.

To help with the organisation could those attending RSVP to the Membership Secretary Alma Stapley by the 21st of March.

Movie Nights:

The Club will be running a series of Winter Movie Nights through to Thursday 30th March 2017. The Film starts at 20:00 and is free of charge to all Members. Please sign up on the Club notice board or complete the form below to register your interest.

Hot food will be available from 18:30hrs and served before the film starts at 20:00.

Thursday 9th March: Selma

This film is the story of a movement. It chronicles the tumultuous three-month period in 1965, when Dr. Martin Luther King, Jr. led a dangerous campaign to secure equal voting rights in the face of violent opposition. The epic march from Selma to Montgomery culminated in President Johnson signing the Voting Rights Act of 1965, one of the most significant victories for the civil rights movement. This film tells the real story of how the revered leader and visionary Dr. Martin Luther King Jr. and his brothers and sisters in the movement prompted change that forever altered history.

Racing

Royal Lymington racing people, your attention, please! The season is getting ever closer.

Portmore Insurance Spring Series starts 2nd April

First, we have the Portmore Insurance Spring Series, starting on April 2nd, with classes for IRC, LAH, J80 and Folkboat. Simon Van Der Byl is kindly running the event for us again, and Ding Dong is your committee boat (if she's not on the mud!).

With separate start and finish boats to ensure minimal delays between the two races, the result will be an intense morning's racing with a return to the Club in time for lunch.

The Western Solent offers excellent racing waters only 10 mins from the Club, with a variety of options available to ensure good racing whatever the wind direction. Once back in the Club, the racers can be sure of a warm welcome, whether they are members or visitors.

On the water coaching: Former Senior National Racing Coach for the Royal Yachting Association & British Olympic Coach (1996), Jim Saltonstall, will also be running some on the water coaching on Saturday 1st April. This coaching is inclusive of your boats entry fee and will be based around some practice racing followed by an informal debrief held in the Island Room. To register your interest for this coaching, please email events@rlymyc.org.uk.

Thursday Night Keelboat Racing

Then Thursday Night Racing starts on 27th April; we are making a few changes, so come to the briefing on 20th April, but most important, due to popular demand, we are offering two IRC classes - you should have had an email on this.

2017 Racing Rules update 13th April

And for the keen racers, John Doerr is doing a Rules update on 13th April. There are some changes, so do come.

Chris Rustom, Captain of Racing

Cruiser Racing - Crew Match Morning Saturday 8th April

Are you ready for the Racing Season? Do you need Crew?

We are holding a Crew Match morning from 10:30 until 12:30. Skippers and potential crew are invited for a “Meet and Greet morning” - an introduction to racing at the Club, where skippers who are in need of crew can meet aspiring crew wanting a boat to race on.

Put the date in your diary: Sign-up sheets for skippers and crew will be on the Cruiser Racer Noticeboard soon. If you need more information - contact [Vicky](#) or [John Turner](#)

Announcing the 2017 Duo Race Series - Fun but Competitive Double Handed racing

Seven races in total - Saturdays throughout the season: two races in May, one race in June, July and August, two races in September.

Interesting and varied courses, not just “round the cans”. Typically 2- 3 hour races – Christchurch Bay, Mid/West Solent and the best of all:

Round The Island. For those of you who dread the early morning trip to Cowes and the long slog back home for the usual RTI, why not try the Duo RTI – door to door sailing – start and finish at the RLymYC platform – back in time for an early doors beer. Special prize for this event.

Classes for IRC and Lyngby Handicap, with an option to enter as “Non-spinnaker” for the Series.

Dinghies

It's March already, which means... nearly time to go dinghy sailing again! Or carry on dinghy sailing if you're one of the keen beans with a thick wetsuit and no regard for your fingers and toes. So in preparation, here are a few key dates for your diary:

- 17th April: briefing for the Monday Evening Dinghy series. Come and find out what's new for this year and fill in your entry form.
- 24th April: the first Monday Evening Dinghy race. Whoopee evening racing again - summer's coming
- 15th & 16th July: the awesome Lyngby Dinghy Regatta - invite your friends :) :)
- 19th August: the Potter Dinghy Race - a mad handicap scramble for everyone from Oppy sailors to Moth maestros. Fingers crossed for better weather this year.
- And of course the Scow fleet has a packed calendar of events on top of all this to occupy the racers and potterers all summer long.

Finally a big thanks to all those who helped out with the dinghy park maintenance in January, it's looking nicely spruced up for the return of the fleet.

Luke McEwen, Captain of Dinghies

WJS Dates

Safety Briefing & Registration Wednesday 29th March 1400

We are looking forward to the new season and seeing all our volunteers, both current and new, coming out of Winter hibernation. If you feel like contributing to children learning to sail, please come and join our very friendly and enthusiastic team. We require people with a diverse range of skills and would be delighted to welcome you. For more details click [here](#).

Please come to the Safety Briefing as we have important information to pass on and we can sort out all the paperwork.

- WJS training dates
- Wednesdays - April 5th, 12th, 19th am/pm drop in sessions
- First WJS Wednesday April 26th
- Last WJS Wednesday 27th September

Ali Husband and the WJS Team

Cruising

Past Events

Day Cruise to Gins Farm – Tuesday 14th February

Even on a grey winter's day the Cruisers proved that it is possible to have a great Club outing. Twelve boats – seven yachts and five motor boats took 59 sailors over to the Royal Southampton Gins retreat on the Beaulieu River. 10 others came by car making a total of 69.

Roger Cook and George Trevelyan came by RIB and performed the excellent service of ferrying the crews moored on the central pontoon over to the land pontoon. Our thanks go to them. By 12.30 everyone was seated for an excellent hot lunch of steak and kidney pie or fish pie. It was gratifying to look out of the windows at Gins to see so many Club boats moored up together.

Winter Lectures 2017

The next lecture is on Wednesday 8th March when Felicity Herring will talk about the Life and Loves of Lord Nelson. Full details of this and the following two lectures on the [website](#).

Any Member is welcome to contribute to the Winter Talks and engage and entertain their peers with their sailing experiences or by introducing a topic of particular interest or expertise. Volunteers should please contact Sue Sutherland about possible topics for the 2017/18 Winter Talks.

Perrin Towler, Captain of Cruising

Future Events

Club Cruise in Croatia 2nd - 9th September 2017

At the Cruising Forum in the Autumn, some Members expressed an interest in a group booking of bareboats in Croatia. To ensure that Members can obtain a significant discount off the prices normally available to individuals the Cruising Sub-Committee have researched various options.

Our enquiries suggest Cosmos Yachting provide the most attractive offer. The boats for this proposed week are based near Split, an area well suited to all types of cruising, with plenty of marinas, anchorages, islands and shelter. By way of example, based on the week commencing [Saturday 2nd September](#), a new range Sun Odyssey 379, including taxes and yacht insurance, will cost around £1700. This excludes flights and a boat cleaning charge. They have a wide range of boats, sizes and prices available for that week.

For more information [email](#) Sue Sutherland - or call Ryan Bird at Cosmos, mentioning the RLymYC, and ask for a quote www.cosmosyachting.com.

Sue Sutherland, Cruising Sub-Committee

Logs and Blogs

It is now possible to upload electronic logs/blogs to the cruising page of the same name, please send them to the Captain of Cruising.

Peter Lowe Cruising Sub Committee

Help needed with the visit by Sailing Club of the Chesapeake to the Solent, Saturday 9th - Sunday 17th September 2017

We are still looking for two or three boats, sail and/or motor, to host our guests from USA. The cruise starts from Lymington on Saturday 9th September, going to Beaulieu, Cowes, Bembridge, Portsmouth and Yarmouth, finishing back in Lymington on Saturday 16th September. We have a full programme of events to introduce our guests to the Solent, including dinner at the Mary Rose Museum in Portsmouth and costs will be shared between hosts and guests.

We are also looking for land hosts for two nights both at the beginning and the end of the cruise for some of the American visitors who will be joining in the trip by land and participating in some of the events planned. If you are interested and want more information please contact me on 01590 679877 or [email](#)

Roger Wilson

Volunteers

The 2017 Sailing Event Teams Form is now available, so if you would like to get involved this season, then please follow the link below.

[Click here for the 2017 Sailing Event Teams Form](#)

Volunteer Tokens 2017

These are the only Volunteer tokens to be accepted this season.

- 1 token = A glass of house wine / A Pint of Club beer / Soft Drink or ****New for 2017**** a portion of large chips.
- 5 tokens = Bottle of House Wine or ****New for 2017**** a Race Supper (limited to Monday & Thursday evenings)
- 12 tokens = ****New for 2017**** A Musto polo shirt personalised with RLymYC Race Team

Jane Corden

Training

RYA First Aid Courses

- Saturday 4th March 2017
- 25th March 2017

To book onto any of these courses, please fill in the training course disclaimer and either bring it into the Club with payment or contact the office to book onto the course.

We are able to accept payment over the phone so please do not hesitate to contact us.
Members £50 Non-members £70

The course runs from 09:00hrs to 16:30 approx. in the Island Room.

If you require any further information about our training courses please visit the [website](#) or [contact the club](#).

Race Management Training

Thursday 09 March 2017 - Course Setting and Technology - Roger Wilson

Sail Loft. Time:- 1815 for 1830 to 2000 hours.

Computer Aids to Course Settings, Maps and Aps

Roger usually has a gadget in every pocket and to say nothing of those hiding in his bag – come along and find out why.

Tuesday 21 March 2017-Setting Start and Finish Lines - Roger Wilson

Island Room. Time:- 1815 for 1830 to 2000 hours. (We hope, also, to get a practical session arranged the morning of Saturday 25 March.).

Saturday 08 April 2017 - Using the Clubs VHF Radios. Island Room

1030-1200 hours

Confused by the array of buttons? Need a start of the season refresher? Come along and get it sorted.

Fleets

Scows

The sailing season is not that far away, so on **Saturday 8th April**, and again on Saturday 22 April, the Class Measurers, Meriel and Dan McCarthy, will be in the Dinghy Park between 10.00 to 12.00 to conduct buoyancy tests and check other equipment. There will be a list on the Scow board to sign for which day you can attend. Remember that these annual tests are required to enter the Scow special races.

Our social events continue to be very popular, with record numbers for the Informal Supper and a terrific turnout for Chris Cecil-Wright's talk about the Super Yacht business. A Super Yacht is generally considered to be a yacht over 24 metres in length and, of the 10,000-odd yachts which qualify, about 2,000 are for sale at any one time.

Coming up in March we have Allan Hill talking about the world of militant Islam on Monday 6th. We get closer to the water with Rory Paton and friends' talk about preparing for the sailing season on 20th. We go travelling on 28th March to London to view the Royal Thames Yacht Club's model room with Malcolm McKeag. As always, the sign-up sheets are on our Notice Board.

Pushing on into next month, we have the Spring Back to Scowing supper on Monday 3rd April then, on Tuesday 11th April, we do Spring back to Scowing for our on land training session with Catherine Maguire and Sarah Richards.

Robin Taunt, Captain of Scows

XOD

There is lots of boat preparation taking place in various barns and boat sheds as the start of the 2017 season draws ever closer!

The Notice of Race for the 2017 season has just been published and is available on the website.

Key early season dates for your diary are shown below. All meetings & events @ RLymYC unless otherwise stated.

Thursday 16th March 18:00 Sails shapes & designs @ Sanders Sails

Saturday 8th April 17:00 Sailing instructions briefing

Saturday 15th April 17:00 Spring meeting

Saturday 22nd April 14:00 Racing season starts!!!

Sunday 7th May 10:00 Set-up & tuning day

Wednesday 7th June – Sunday 11th June Lymington XOD Week

Juniors

Optimists

Our Lymington Optimist Flotilla has been pretty busy this winter. We have had six weekends of winter training with 40 sailors taking part. We have managed to cater for all levels:

Mini-racers, regatta fleet, transition fleet and two different levels in the Gold Fleet. We had amazing coaches, Charlie Cox, Maria Claridge and Nik Froud, all led by Tom Hayes. And the minis, specially coached by Olympic Medallist Nick Rogers. Thanks for the support of all the parents, specially Richard Breese, Wouter Verbraak, Fan Rogers, Dave and Kate Davis. and Clare de la Feuillade for still doing the coms.

This weekend sees the last of the season as we are now launching the Spring Training dates: Tuesday after school sailing, from 25th April to 11th July, more details to come.

In the meantime, our minis will be preparing themselves to enter the Nationals in August, the Zones Squad children to transition to main fleet in the open events. The Gold Fleet will be busy training for Selection Trials and travelling to either Lake Garda or those within the GB Team, to the Easter regatta in Braassemermeer. Fair winds to you all.

Valeria Sesto, Captain of Optimists

RS Fevas

There will be a number of Feva training sessions over the spring and summer months details can be found on the Club [website](#). All youth and junior Members are welcome to join in and all ability levels are welcome. The Club Fevas will be available for hire. We have been teaching the sailors to team race in the Club Fevas, and great fun has been had by all. The next training session will be a Learn to Team Race on the 12th March. For more information please contact Sarah Richards by [email](#).

Sarah Richards, RS Feva Fleet Captain

420s

The 420s have been seeing plenty of action so far this year. After a break over Christmas and the New Year, they have slowly been revving up their training, with regular Club, Class and RYA sessions all taking place in Lymington. Youth Squad have also been off to Weymouth and were thrilled to have a pod of six dolphins performing acrobatics amongst them for 20 minutes! This is one of those moments that you feel very privileged to witness, and makes all those freezing cold, uncomfortable sessions feel worth it.

Next up we will have our Selection Trials, with a total of up to 24 races to decide who will go to Athens (Open Euros), Garda (Junior Euros) and Freemantle (Worlds). It's all to play for...

George Heathcote, 420 Fleet Captain

Lasers

4.7s

The 4.7s have now completed their Worlds and Europeans Qualifiers. The second Worlds qualifier proved to be a challenging event, with gusts of 38 knots being recorded on the Sunday. All six races were completed and Lymington's Matilda Nicholls finished 1st. Tom Mitchell also sailed a very impressive weekend and finished 7th overall. Well done to all our sailors who competed that weekend.

We also managed to squeeze in an extra weekend of training on the 18th/19th February with Greg Carey, while the Squad sailors were training down in Weymouth.

We have another weekend of training coming up shortly with our top coaches Greg Carey and Robbie Claridge.

Radials

The Radials are now in their qualifier season, which consists of three events, two at WPNSA and one at Stokes Bay. The UKLA will take the best two of the three events for each sailor and use these to rank them for entry to the Youth Radial European and Youth Radial World championships, which will take place in July and August respectively. The first qualifier was held on February 18th and 19th. Conditions were difficult on the first day, with very little wind, but the second day produced more stable conditions and the race committee managed to run five of the six planned races. Matilda Nicholls had an excellent weekend, coming 2nd overall, beaten only by Ali Young. They have a special weekend of training coming up on April 1st/2nd, where they will be joined by a number of visiting sailors for a warm up ahead of the Youth Nationals, which will start the following weekend at HISC.

Future training dates:

4th/5th March – 4.7 and Radial training

1st/2nd April – Radials only training

9th/30th April – 4.7 Worlds Training

27th/29th May – 4.7 Worlds Training

24th/25th June - Royal Lyminster Youth Laser Regatta: U-21 open meeting for all three rigs. .
Please [email](#) us if you are interested or would like to be added to our mailing list

Clare & Fiona, Captains of Lasers

Congratulations

Laser Qualifier Success at WPNSA 18/19 Feb

Congratulations to **Matilda Nicholls**, finishing **2nd overall** in the highly competitive adult fleet seeking selection for the UK team at the Laser European and World Championships 2017.

Throughout the five race series in varied conditions, young Matilda had the Rio Olympian Alison Young firmly in her sights, and beat the current Masters, European Champion John Emmet, giving her a massive confidence boost to kick-start the season. **Arthur Fry** was a very creditable 26th.

Meanwhile, in the Standard fleet, **NickThompson** was pipped to the top spot on count-back by arch-rival Lorenzo Chiavarini.

29ers Small Group, but perfectly formed

The 29er Winter Championship and Harken GP5 were held at Draycote on 4/5 February. The weekend was forecast to be very light and much banter took place in the club house as to whether we were going to be any racing, but what do parents know! As the day progressed the wind increased to 4-8knots and the race officer Ian Bullock and his team got four good races off.

The next day the wind increased slightly and positions started to change race by race. Hattie and Emily started had a very impressive win in the first race of the day, but they still had to fight hard to be top girls, James and James fought a battle for second place which all came down to the last race but sadly missed out. We all agreed the racing was nail biting but enjoyed watching from the club house. It was a tough weekend for all, but what was nice to see was half the sailors in the top 12 were girls

RLymYC results

- James Eales & James Hammet 3rd overall
- Hattie Rodgers & Emily Covell 4th overall and first Girls
- Sarah Jarman & Nick Devereux 5th overall and first mixed crew. (Pictures show Hattie & Emily at the prizegiving and James and James in action.)

Five GBR boats ventured to El Balis Yacht Club, to check out the European competition. We arrived on the same day as a monster high pressure; so the first day was painful with no wind, much waiting around on the water and no racing. Day 2 was looking equally as bad, but eventually the wind picked up late afternoon and the race officer got five races in and the fleets returned to shore as it was getting dark.

This meant the fleet could be split into Gold and Silver fleets. Three GBR boats made into Gold including James and James. Day one in gold fleet was light, and the GBR boats stayed in mid fleet position giving a good account of themselves. Day 2 saw wind and waves much to the GBR boats delight. All the GBR boats managed top ten position in the wind. Sadly James and James pitch poled during a gybe coming into the finish of the last race which saw them drop from 12th overall to 15th.

It has to be said that the joy of sailing with teenagers in this class is you no longer have to help in dinghy park, so it leaves you free to explore the local sights and indulge in the odd tipple!

Nick Eales, Captain of 29ers

RNLI

Dates for the diary

Annual General Meeting Thursday 30th March

Lymington Town Sailing Club 7pm

2017 Agenda and minutes of the 2016 AGM will be available at the meeting

Beaulieu Boat Jumble Sunday 23rd April

Chandlery and Sails welcome. Please bring any items to the boatmen at the Club or contact John Niven (01590 678839) or Celia Lassen (01590 672881).
