COST OF MAILING MEMBERS

Every effort has been made to distribute the attached literature before 1st April, but unfortunately the Members' Handbook is not ready. It is hoped it will be ready for collection from the Secretary's Office by 1st May. Every Full Member is entitled to a copy.

LECTURE SUPPERS

At a recent Lecture/Supper, over 20% of members who had entered their names on the lecture list for suppers, failed to take them up. In order to avoid such a costly over-provision of suppers, members are requested whenever possible, to inform the Club prior to the lecture, of their inability to attend.

THE SECRETARY

After nearly a month in hospital, Group Captain Howard Lewis is now back at home and making progress.
