Mosimann's are at the helm

Prime Minister, Boris Johnson's announcement of a month long nationwide lockdown from Thursday November 4th is an extremely disappointing development in the context of our new fledgling partnership with Mosimann's. The only (small) saving grace is that Boris delayed the release to avoid interrupting enjoyment of England beating Italy in the rugby Six Nations Championship!

However, this provides little or no consolation to the Mosimann team and our own staff transferring over to work under the Mosimann banner given all the hard work put in over the past few weeks in readiness for the official opening. As a consequence of the Government guidance, the Club will temporarily close after dinner on Wednesday evening until the shutdown is lifted, currently expected to be in early December.

The Gala Dinners will be rescheduled on 11th, 12th, 18th. & 19th December. All those members and their guests who had reservations should select one of the revised dates and advise by email to Gillian@rlymyc.org.uk of their preferences as soon as possible.

It goes without saying that all of us in the RLymYC and the Mosimann's team, are hugely disappointed with this outcome. Nevertheless, we are thinking laterally as to how best to maximise Mosimann's presence and expertise for benefit of our Members and the local Community in the coming weeks before we open again in earnest. To that end, further advice will be communicated this coming week.

To make the most of Mosimann's brief cameo presence ahead of the lockdown there is still some availability for lunch and dinner on Tuesday and Wednesday. It would be really good if members can get behind the new team to demonstrate our support for our new partnership.
