Very good news for the Junior Sailors at the Royal Lymington Yacht Club.

One of our new members is so impressed by the sailing that goes on for young people at the Club that she is funding for 3 years a high-level coach to oversee the junior coaching programme starting in 2021.

Inger Fish who lived in Lymington in the 80's and is moving back into the area is looking forward to being back on the water in Lymington. You can expect to see Inger in her RIB watching the Juniors in action.

Thank you Inger!

Return to Racing - Update from Malcolm McKeag

At last... at last. We can go real yacht racing again. Thanks not the least to the efforts of Stephen Crates, Andrew Richards and Roger Wilson of our ever-vigilant H&S Committee keeping under constant review what seem to be ever-changing guidelines and regulations from HMG, along with the almost weekly new interpretations from the RYA, we are at last able to re-start our keelboat racing on Wednesdays and Saturdays for XODs and Nordic Folkboats. And it all kicks off this coming Saturday, 8th August, with the first warning signal at 1400.
