(Club website log in required)

## The Club Balcony

Two lots of fun in one package. The club balconies have been a delight in the last weeks since opening, a never-ending display of boating from Paddle boarding to opulent displays of "bling". Dominique and I have sat Rosé in hand and whiled away sunny hours offering out critique of others yachting ability! But that is not all! We also volunteered as waiter persons and were able to put names to faces we have seen around the club for ever. The camaraderie from members to us volunteers was charming and having started with some concerns about our competency we now enjoy very much our weekly volunteer. Try it, all it takes is for you to email Gillian [gillian@rlymc.org.uk](mailto:gillian@rlymc.org.uk)

The C19 controls in the club gave us the comfort we were looking for.

Dominique and Nick Ryley.

## SYSTEM UPDATE

We are aware that the read more function on the Newsletter is not currently working on all Apple devices. We are working with our system provider to rectify this. Please email [membership@rlymc.org.uk](mailto:membership@rlymc.org.uk) if you wish this content to be sent to you separately.

### ASHORE

Now we are open on Mondays for lunch we have registered with the Government Eat Out to Help Out Scheme. Booked tables only so please click here.

After the huge success of the first Friday Night themed food we are set to continue next week with Steak Night.

More good news from the Kitchen - Sunday Roasts are back!

You can see the current menus and details of how to book in the Ashore Quick links

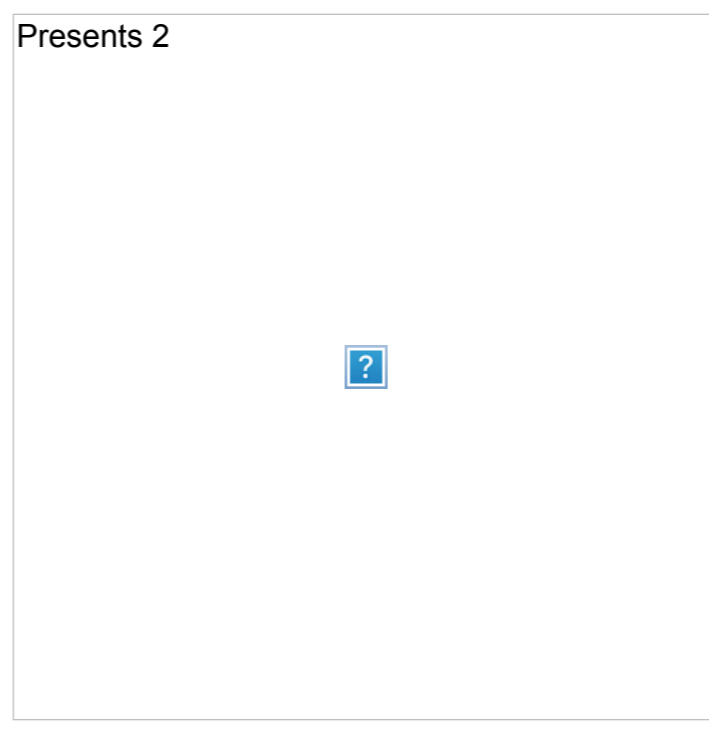

To keep costs to a minimum our Front of House table service has been provided by **volunteers**, which has been very much appreciated by all and has worked very well. If you are interested in supporting your Club whilst getting to know members please do have a look at the shifts we have available on the link [here](#) and add your name!

Please contact me on [Gillian@rlymc.org.uk](mailto:gillian@rlymc.org.uk) if you have any questions.

Kind Regards

Gillian

Clubhouse Events Manager
