- In December last year Cdre Phil Lawrence and Vice Cdre Stephen Crates agreed with Kirsty Husband, our General Manager, that after 13.5 years with us she would take up a new position in the Club, one that would give
- her and her family a better work/life balance. Kirsty's new role as Operations Manager will have the following responsibilities: IT management, Co-ordination & Management of Sailing Events and Marketing & Public Relations. Linked to Kirsty moving to her new role, we are in the process of advertising for a new CEO who will have responsibilities over and above Kirsty's current role and release the Flag Officers (FOs) from the day-to-day
- I know everyone will support this step but I am equally sure there will be questions and clarifications required so if you do have any questions, please do email me. Finally, thank you to everyone who completed the survey. We will be discussing the results at the next GC meeting and come back to with our plans in the near future. Many thanks

- Hattie Rogers YJA Yachtsman of the Year 2022 A huge thank you to Hattie Rogers for her fantastic Q & A session held at the Club on Saturday, compered by Rear Commodore Sailing Jenny Wilson. Our members joined Hattie in celebration of winning this prestigious award where she was presented with a special cake from the Club with glasses of bubbles all round. Hattie got in touch following her presentation with this message: ' I just wanted to say a massive thank you to the team for everything you put together for yesterday from the whole Rogers family. It was really special for me to be back and catch up with everyone. I really wasn't expecting the cakes, framed pictures and champagne! I'll keep in touch and hope to see you all soon, and thank you again for your continued support.

Congratulations to Club Member Annabelle Vines and her team mate Madeline Bilbrough who were 1st in the Women's category, making their debut and winning their first event as a pair at the 29er Euro Cup that took place between 16th - 19th February,

This will work well with rich dishes, cheeses or just on its own... Lastly, as per last week's **Sous Chef** advertisement, while we source additional experienced chefs for our busy kitchen, we ask if you can continue to be kindly patient with us. Your feedback has been greatly appreciated and we're committed to improving our delivery.

This does mean that on Mondays & Tuesdays we'll be serving a reduced menu while we grow the kitchen,

(Genoa, Jib & Spinnaker). This is a temporary measure to ensure we can cater for all events & the notably busier

# • A proposed new CEO

- News from River Room Hospitality Working out your carbon footprint • Vince's Quiz - last one of the season
- Club History Coffee Mornings Junior Section Talk with Miles Seddon Junior Section Rules Talk with John Doerr Winter Lecture Season - last lecture is tonight!
- A proposed new CEO position
- management of RLymYC. With FOs and other General Committee members changing every three years there is a tendency for the overall direction of the Club to change depending on the priorities of the current incumbents which is not the best strategy for stability and staff motivation. With this appointment and long-term planning changes we aim to build a strong management structure to take our Club into the 2020s.
