Sailing - Pontoons & Ferrying

As we start to prepare to get back to sailing, I would like to let you know about the use of our Pontoons and Ferrying and request your cooperation in implementation as Government Covid Guidelines change. The pontoons and all ferrying journeys are managed by the Boatmen, so please comply with their requests and implementation of the Club's Regulations.

For guidance on how to use our Club services on the Pontoons, Ferrying, Thurs night Racing and for Members
