Weekly Update For Our Members

Thursday 25th August 2022

Dear Members,

Summer may be over in a few days, but there is still a packed programme of sailing and social events to enjoy at the Club throughout the Autumn:

Our cruisers and motorboats will be enjoying Autumn meets and Thursday evening racing moves into the September late series. Although the Centenary party is already totally sold out, with a waiting list, the House Committee are planning a busy social calendar.

The bar and restaurant will be introducing a new menu and service and I will update Members on that next week.

Please check the Club website to keep up to date with all our events and socials.

With best wishes,
Phil Lawrence
Commodore

Spencers Sponsorship

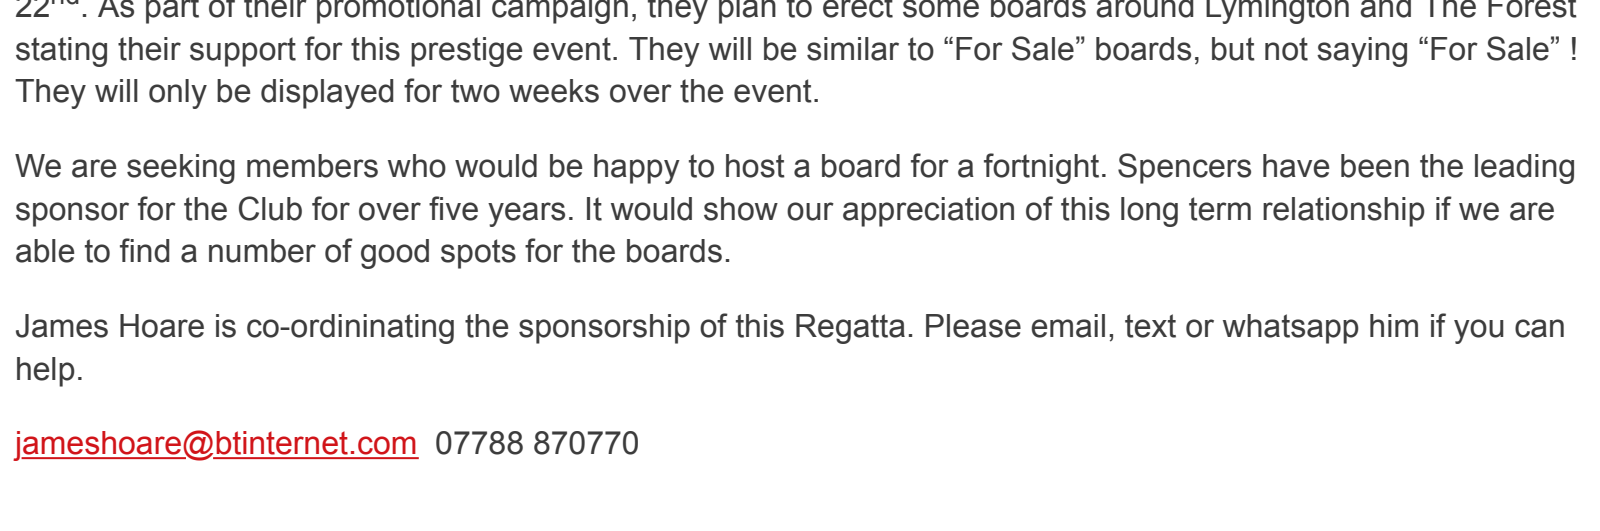

Are you able to help?

Spencers are generously sponsoring the Folkboat International Regatta which takes place September 17th to 22nd. As part of their promotional campaign, they plan to erect some boards around Lycoming and The Forest stating their support for this prestige event. They will be similar to "For Sale" boards, but not saying "For Sale"! They will only be displayed for two weeks over the event.

We are seeking members who would be happy to host a board for a fortnight. Spencers have been the leading sponsor for the Club for over five years. It would show our appreciation of this long term relationship if we are able to find a number of good spots for the boards.

James Hoare is co-ordinating the sponsorship of this Regatta. Please email, text or whatsapp him if you can help.
