RLYMYC CEO

David Brierley, our newly appointed CEO started with us on Monday morning. This appointment heralds a few management changes that will take place in the future as responsibilities are re assessed.

In this connection and as has been well aired, Flag Officers will progressively step back from the past level of day-to-day involvement supporting the office team.

Kirsty, will take up the position of 'Operations Manager' and will be responsible for the management of Sailing Events, our IT systems, Marketing & PR. This move will give her a well-deserved and much improved work/life balance.

We all welcome David to RLYMYC and very much look forward to working with him in the coming months.

Michael Derrick, Commodore
