

Royal Lyngton Yacht Club

Weekly Update For Our Members

Wednesday 17th November 2021

Dear Members,

This week, I'm delighted to announce details of our fabulous New Year's Eve Party, which will herald the start of our Centenary celebrations. Many thanks to all those who are working hard behind the scenes to create exciting events and occasions for us all. Over the coming weeks we'll bring full details about events on and off the water over the Christmas period.

It is great to see so many of our Junior and Youth sailors participating in winter training at the Club, as well as hearing about their participation and success at events around the country. Notably in the 29er national rolling rankings so far this year, our Royal Lyngton squad currently has top male boat, top female boat and top mixed crew boat.

Remember when in the Club to take a moment out to admire the excellent works of art exhibited around the first floor, you can vote for your favourite by emailing Gillian by 29th November.

Read on for the latest news and updates from the RLymYC team. Remember also to follow us on [Facebook](#), [Instagram](#) and [Twitter](#), where you'll find regular updates too.

With best wishes,

Phil Lawrence
Commodore

Winter Junior and Youth Coaching at RLymYC

Our winter coaching programme for Junior and Youth sailors is now underway, with monthly training for sailors of Optimists, RS Teras, Laser (ILCA) 4.7s and Radials, RS Fevas, 29ers and 420s. The coaching team runs great sessions with a strong plan under the direction of Head Coach, Hugh Styles, with a mix of on and off water skills and classroom learning designed to deliver maximum benefit and enjoyment to the sailors.

Member receives the Hammett Trophy

Congratulations to RLymYC member, Peter Bell, who was recently presented with the Cruising Association's Hammett Trophy by professional racing sailor, Mike Golding OBE. Peter received the trophy for winning a log competition within the Cruising Association (which has 6,500 members), describing his adventures along the Spanish and Portuguese coasts with crew members from the CA Crewing Service.
