## How Lyngby helped supply vital PPE

Pete Sanders and Emma McEwan: Wed 1st December at 18:30

For our Winter Lecture on Wednesday 1st December Emma McEwan and Pete Sanders will be talking about how a team of volunteers helped supply vital PPE during lockdown. The "Press Gang" and the "Cutting Crew" were established by a team of volunteers in April 2020, at the height of the pandemic, in order to manufacture PPE for the NHS staff working on the Covid-19 wards at Southampton General Hospital.

## RYA First Aid Course on 11 December

Our next RYA First Aid Course will be taking place on Saturday 11th December. In a medical emergency a little first aid knowledge and immediate action can save lives, especially in remote locations. This one-day course is designed to provide a working knowledge of first aid for people using small craft and to support skippers.

## Volunteers needed for Club Christmas Decorations

Thursday 2nd December, 9.30am

Can you help? We are looking for some volunteers to help put up our Christmas decorations on Thursday 2nd December from 9.30am. This fun annual event requires many who are agile enough to climb up and down ladders, others with a creative eye to direct arrangements, those happy to check all the lights work and replace bulbs too dim to last until New Year, plus many runners willing to fetch and carry decorations or hand round the mince pies!

If you can help, please contact Shireen Crowe on [shireen.crowe50@gmail.com](mailto:shireen.crowe50@gmail.com), who will confirm by 30th November. It should take 3 hours with a good team, refreshments will be available! Please let Shireen know if you can bring a stable step ladder and/or a vacuum cleaner (to speed up the clearing up!). Your own scissors and twine is a bonus too. A member of the Club's Health and Safety Team will be on hand to brief at the start.

## And finally...

Congratulations to our Sailing Manager, Vicky Lean, on her engagement to fiancé Sonny Wilson. We wish them much happiness in their future together.
