#### Update from Kirsty Husband, General Manager Operations

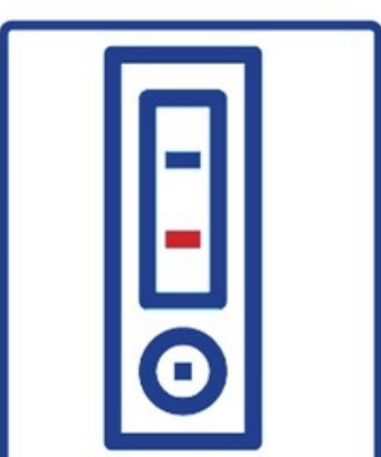

Unfortunately, it has been brought to our attention that seven ladies attending the Annual Ladies Lunch on Wednesday 13<sup>th</sup> October have since tested positive for Covid despite showing no symptoms. Whilst these cases have not been identified to the Club via the NHS track and trace if you do have any concerns then you may wish to take a test.

With that in mind I would also like to remind you of our Club's current covid guidelines:

### COVID-19 Guidelines

Updated Oct 2021

The Autumn social season is upon us so let's keep protecting ourselves and each other against the ongoing threat of COVID-19 by following these Club recommendations:

**Take a Lateral Flow test** the day of your visit.

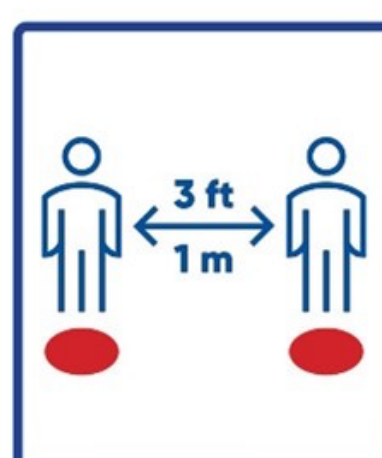

**Do not attend** if you have any Covid-19 symptoms.

**Sanitize your hands** before & after entering the Club.

**Continue to wear a Face Mask.**

**Keep a Safe Distance.**

**Pay by Card** if you can.

**This is for everyone's safety, comfort, and peace of mind.**
